Sample lyrics:

“Three O’Clock Blues” BB King

“Well now, it’s three o’clock in the morning
And I can’t even close my eyes.
Three o’clock in the morning
And I can’t even close my eyes.
Can’t find my baby
And I can’t be satisfied.

“Lost Your Head Blues” Bessie Smith

I was with you baby when you didn’t have a dime
I was with you baby when you didn’t have a dime
Now since you’ve got plenty of money, you
have throwed your good gal down.
