

Tahoe Elementary School

September 12, 2024

Dear Community Partner-

At Tahoe Elementary, we consider the "extras" like music, art, garden education, and field trips to be "necessaries." With that in mind, we work hard each year to raise funds so that these and other impactful programs are available to all the students at our school.

We will be holding our annual Jog-A-Thon on October 18th, 2024, and we need the support of community partners like you to make it a success! While our students work to gather pledges, there are various costs with which we need your help. Each of our students will receive an event shirt to celebrate their hard work. Additionally, we give out prizes to our top earners, fastest runners, most motivated classes, etc. And don't forget the popsicles at the end of the run!

Our goal this year is to raise \$25,000 for our music and other enrichment programs. That is a lofty goal for a Title I school! But we know that with hard work and the support of people like you, we can make it happen!

Any amount of money that you're able to provide with be greatly appreciated! And all donations are tax deductible! (Checks can be made out to Tahoe Elementary PTA. Tax ID #94-6174614.)

Here are some "perks" that we can offer (in addition to you knowing you're making a difference in local kids' lives!):
